FYI, this is in response to the announcement that the State and Interior had last week. We did not participate with our water quality Action Plan.

You have probably seen that the meeting with Bob P tomorrow was cancelled.

(See attached file: 2012-07-26 Media Advisory - Isenberg Comments on BDCP Announcement.docx)

My personal reaction to last week's announcement on the Bay Delta Conservation Plan (BDCP) by Governor Jerry Brown and US Interior Secretary Ken Salazar is attached. My bottom line is this:

"As a grumpy old guy involved in California's water wars, I thought the announcement, the theatrics surrounding it, and the staff work that backed it up was very, very interesting. Serious public policy people should pay attention."

Please call if you have any questions.
